

Franklinton Board of Commissioners  
Budget Workshop  
May 02, 2018  
Franklinton Annex Building

Mayor Art Wright called the Franklinton Board of Commissioners Budget Workshop to order at 7:10 p.m.

Those present were Mayor Art Wright; Commissioners Anita Fuller, Alvin Holden, Brad Kearney and Phil Meador; Town Manager Tammy and Town Clerk Kim Worley.

Commissioner Allers was absent.

Others present were Police Chief John Green and Street Supervisor Tim Jacobs.

Town Manager Tammy Ray presented the balanced proposed 2018-2019 Budget to the Board for them to review the proposed expenditures and revenues. The Board reviewed the Budget. She stated she made changes from the previous budget in order to balance. She stated this Budget still has a four percent COLA included in it for the employees and the biggest change came from cutting the extra employee that was proposed from the Police Department.

After more discussion, Mayor Wright closed the workshop.

Respectfully Submitted;
