In some cases engineering drawings may be required.

This application must be accompanied by a scale drawing illustrating all of the following:

- 1) The shape and dimensions of the lot on which the proposed building or use is to be erected or conducted;
- 2) The location of the said lot with respect to adjacent right-of-ways;
- 3) The shape, dimension and location of all buildings, existing and proposed on the said lot;
- 4) The nature of the proposed use of the building or land, including the extent and location of the use, on the said lot;
- 5) The location and dimension of off-street parking and loading space and means of ingress and egress to such space;
- 6) Any other information which the Zoning Enforcement Officer may deem necessary for consideration in enforcing the provision of this ordinance.
